"The significant problems we have cannot be solved at the same level of thinking with which we created them."

Albert Einstein

Rapid Opportunity Assessment™ (ROA)

Our Rapid Opportunity Assessment (ROA) is a quick, objective evaluation of a program or service idea. Designed to give you an independent assessment before you launch a new program, the ROA is an affordable way to investigate opportunities without wasting valuable time and resources.

Program Planning & Development

Develop concise, action-oriented business plans for new programs and services designed to facilitate fast and successful implementation. We have special expertise in public-private partnerships and collaborative efforts.

Practical Strategic Planning

We work with you to develop a strategic plan that won't sit on the shelf. Our streamlined approach is designed to help you anticipate trends, evaluate strategies and develop action steps that will strengthen your organization.

Grant & Proposal Writing

Need help getting that idea off the ground? We have experienced grant writers who can help identify potential funding sources and work with you to write the proposal.
